Ongoing Activities

❖ Children's Summer Reading Program: Make a Splash @Your Library!

Add up the minutes you spend reading this summer and turn them into the library staff to earn Book Bucks that you can spend on fantastic prizes at the Seaside Store.

❖ Earn a Class Trip to the YMCA

If you're entering grades 1-5 at Winneconne Elementary School, your reading minutes will be added to those of your classmates. The grade with the most minutes read by the end of the summer will earn the traveling trophy and a fieldtrip to the YMCA in the fall with everyone in your grade!

❖ Young Adult Summer Reading Program

Middle and High School students are encouraged to get into the reading action this summer, too! For every book you read, enter your name into the weekly drawing for great prizes!

❖ Adult Summer Reading Program

For every book you read, enter your name to win a prize donated by our local sponsors.

❖ Programs

The library is offering a variety of programs for people of all ages and interests this summer. All programs are free of charge. Please ask at the desk for more information. Some events require pre-registration.

❖ End of Summer Grand Prize Drawings

Kids participating in summer reading and complete all six levels of the summer reading program (which adds up to 12 hours of reading!), may enter their name into an end-of-summer grand prize drawing held on July 30th.

❖ Sovereign State Days

We'll be closed on Saturday, July 17 to partake in Sovereign State Day activities. We'll have a float in the parade and we're teaming up with Building the Way to some fun activities at Marble Park in the afternoon. Contact the library for more details!

END OF SUMMER BEACH PARTY

Friday, July 30 from 6:30-7:30pm at Marble Park
